INJUNCTION AGAINST A CONVEYANCE.
TALLAHASSEE, Fla., Nov. 19.—At a hearing yesterday before Judge Walker, in the State Circuit Court, at the suit of Francis K. Sherwin, for the benefit of and contractor with the Dutch holders of the Florida 8 per cent bonds, against Charles D. Willard, Calvin H. Allen and others, the organization of the Jacksonville and Mobile Railroad Company was held to be illegal and void, and a permanent injunction was granted restraining the conveyance to that company of the bonds and the branches formerly known as the Jacksonville and Mobile Railroad. The bonds were held by the Dutch holders of the Florida 8 per cent bonds, and the organization of the Jacksonville and Mobile Railroad Company was held to be illegal and void, and a permanent injunction was granted restraining the conveyance to that company of the bonds and the branches formerly known as the Jacksonville and Mobile Railroad. The bonds were held by the Dutch holders of the Florida 8 per cent bonds, and the organization of the Jacksonville and Mobile Railroad Company was held to be illegal and void, and a permanent injunction was granted restraining the conveyance to that company of the bonds and the branches formerly known as the Jacksonville and Mobile Railroad.

PROPOSED EXTENSION IN NEW-JERSEY.
PHILADELPHIA, Nov. 19.—President Roberts and Vice-President Cassatt of the Pennsylvania Railroad Company, accompanied by General Sewell, superintendent of the West Jersey Railroad Company, and George M. Dorrah, the president of the Philadelphia and Long Branch Railroad, started this morning upon a tour of inspection of the line of the last named company. The road is controlled by the Pennsylvania Railroad Company, which now has a traffic arrangement with the Pennsylvania Railroad Company for the transportation of passengers between Philadelphia and Long Branch. One of the objects of the trip is to establish the practicability of a new railroad between the points named in order to connect the Philadelphia and Long Branch Company with the Pennsylvania Railroad Company. This will be done before the opening of next season, unless a satisfactory contract is obtained from the Central Railroad of New Jersey.

MORE LAND FOR THE NORTHERN PACIFIC.
WASHINGTON, Nov. 19.—President Arthur today accepted the report of the Government Commissioner appointed to examine a recently completed section of 100 miles of the Northern Pacific Railroad, beginning in Dakota and ending in Montana, and upon this finding the Interior Department will issue patents to the company for two and a half million acres of public land to which it is entitled under its land grant of 25,000 acres per mile.

TWO TRACKS TO BE ADDED.
The New-York and New-Haven Railroad Company has decided to add two tracks to its road between this city and Stamford, Connecticut, making four tracks in all. Work will be begun at once.

AN EXPRESS TRAIN FROZEN IN.
WINNIPEG, Man., Nov. 19.—The Canada Pacific Railway express train, that started for Brandon on Wednesday, was frozen in near Oscewa, south of Lake Manitoba. The cause of this unusual occurrence was a sudden overflow of the lake, caused by a strong north-west gale.

BILLIARDS AT TAMMANY HALL.

The billiard tournament was continued yesterday in Tammany Hall. It was announced in the hall that some person had counterfeited the complimentary tickets and had been selling them. To meet the fraud all complimentary tickets have been cancelled and new ones will be issued to those who are entitled to them, to-morrow. The first game in the afternoon was between Sexton and Heiser. It resulted in the unexpected defeat of Sexton. The game was close throughout and the score at the finish was 191 to 200. Sexton's best runs were 21, 13, 15 and 10; Heiser's 12, 14, 17, 10, 16 and 14. Heiser's average was 3.29-57, and Sexton's 3.20-57.

The second game was between Daly and Gallagher. Daly played remarkably well. His average for the game 132 points was 6.35. In the subsequent part of the game he did not do so well, but had great luck. He made five "scratches" in as many different innings, and they helped him out well. Gallagher played an up-hill game with great pluck, and was only beaten by 30 points. Daly's best runs were 25, 17, 16 and 21; Gallagher's 15, 10, 13, 14, 12, 13 and 14. Daly's average was 3.13-54, and Gallagher's 3.17-51.

The game between Schaefer and Carter in the evening was the finest public display of cushion carom billiards ever seen. Schaefer played so well and so rapidly that it lasted only one hour. He made runs of 18, 14, 27, 27, 30 and 31. Carter only made 89 points in all. His best runs were 11, 14 and 13. Schaefer's average was 64, the best on record, while Carter's was 2.52-52. Dion defeated Wallace in the last game of the evening. It was very one-sided. Dion led after the fourth inning to the finish, and won by 82 points. Dion's best runs were 12, 10, 11 and 10; Wallace's 10, 12 and 12. Dion's average was 3.23-59; Wallace's, 2.1-29.

The tournament is now half over. The subjoined table shows the games that have been won and lost by the several players, as well as the games they have yet to play:

Player	Games Won	Games Lost	Games Yet to Play
Sexton	1	0	1
Heiser	0	1	1
Daly	1	0	1
Gallagher	0	1	1
Schaefer	1	0	1
Carter	0	1	1
Dion	1	0	1
Wallace	0	1	1

A CASE OF GRAVEYARD INSURANCE.

EATON, Penn., Nov. 19.—Mrs. Mary Ockenfuss, age eighty, died the beginning of this week, and today it was ascertained that insurance speculators had policies on her life to the extent of \$80,000 or more. It is difficult to get at the exact figures, owing to some disputes as to the genuineness of the signature of Mrs. Ockenfuss, and consequent reticence of insurance agents. The daughter of deceased says the signatures are not genuine. The agents say she was not in the secret, and is angry about it, hence raises the dispute.

A NEW NATIONAL BANK.

CINCINNATI, Nov. 19.—A new National bank, with a capital of \$500,000, was organized to-day by some prominent business men of this city. It is named the Exchange National Bank. The following are the officers: President, Francis Ferry; vice-president, Hugh Colville; cashier, John M. Blair; directors—Louis Emerson, Benjamin F. Foster, Franklin Alter, William H. Alms, James Cullen, Francis Barry and Hugh Colville.

SIX LIVES BELIEVED TO HAVE BEEN LOST.

SAN FRANCISCO, Nov. 19.—On Wednesday morning W. C. Parlane, keeper of the Farrallone Light House, with four fishermen and a boy, left this port in a tugboat for his station. Nothing has been heard of them since. The weather has been stormy. Wreckage identified as belonging to the tugboat was picked up on Thursday inside the Heads, and it is supposed that all have been lost.

THE MISSISSIPPI PLAN.

MEMPHIS, Miss., Nov. 19.—Three negroes, Jacob Johnson, Green Johnson and Jacob Nailer, suspected of being implicated in the Marion disturbance, in this county, on election day, were arrested last night at the gin house of Edward Vauce. Samuel Johnson (colored) was arrested there this morning. All have been lodged in jail. Others are still at large, but will be captured.

TWO OF PRANG'S PRIZES.

In Prang & Co.'s competitive exhibition of Christmas cards, held at the American Art Gallery, Madison-square, both the artists' prize of \$1,000 and the prize of equal amount, awarded by popular vote, fell to card number 749, painted by Miss Dora Wheeler. The same lady took the second prize of last year, and a fourth prize in wall-papers recently.
